Letter From Avening Parish Council Leader

Sometimes, in local government (most times, actually) it seems to take quite a while to see projects and ideas through to completion. This is not just true when working with our partners higher up in the council food chain, but with our own initiatives too! This doesn't mean we have been slacking in between meetings, but because we are dealing with public money and community assets, we have to follow all of the appropriate processes, and deal with many different governing bodies along the way – all of which have their own priorities and budget constraints. However, one of the great pleasures of my role is seeing these initiatives actually become visible, and we have two very different projects coming to fruition – as I write, the crumbling wall bordering the High Street is being repaired. This is a result of many discussions, meetings, and expert assessments with Highways, covering at least 2 years! The result will be a safer, and visually more attractive prominent feature in the centre of the village.

You may recall that our pumps were all adopted a few years ago. This was the first stage in our project to conserve them for future generations, and over the coming weeks every pump will be restored to its original design with new parts cast in a local foundry. This has been an unexpectedly complex piece of work because the pumps were listed, so each one effectively had to have its own planning application, and input from a conservation officer. We couldn't have completed the work without the dedication of our project manager John Collinson, and the generosity of Peter Best. We'll have an unveiling event later in the summer.

Thanks also to Jennie South for suggesting and organising the hanging baskets outside the hall.

We are always conscious that we are spending your hard-earned cash via the precept, and I am pleased to confirm that we have saved around £1,500 by sourcing FREE second hand desks for the Reading Room – the PC will relocate back into the room from the next meeting

Plans are coming together for the WW1 celebration on Saturday 10th November – there will be an early evening 'son-et-luminaire' event outside of the church (open to everyone), followed by a big show in the memorial hall. Lots of acts are already confirmed, and there will be a live band to finish the night in style. More details of both events will follow in later editions.

Playing field update – we are progressing the fencing of the children’s play equipment, with quotes due soon. We will be applying for grant support, and already have pledges to support the cost. We are also working with Highways and GCC to improve the access from the north-east path, and provide drop-kerbs in the surrounding area. We will then look to complete the range of equipment previously planned by the APFA, and re-engage with you for the proposed new elements.

Avening and Cherington Churches

Avening Fete

This was a marvellous event made possible by the committed efforts of many and the massive village turn-out. Many thanks to all and especially to Stephanie Hamilton who oversaw the event.

A Special Place

The Eagles class from Avening School paid a visit to Holy Cross Church on 6th June as part of their RE curriculum. They were thinking about 'special places' and found lots of reasons for our church to be treated as one of them. It is fascinating how observant and inquisitive our youngsters can be – often far more so than adults!

Our churches are also special for many who have been married here. It is pleasing to have recently received a request from a couple who wish to visit Avening Church, where their marriage started, as a way of celebrating and giving thanks on their 20th wedding anniversary.

Churches are there for the whole of their local community and we hope that you feel some attachment to your parish church even if you do not choose to worship here regularly. They are steeped in history and are also places where the pressures of modern life may be seen in a different perspective. Please feel free to spend time in the church or churchyard – they are there for us all.

Central to the life of the church is its worship. Our two villages churches now offer a range of worship opportunities from exuberant all-age services to the quieter forms of Compline and Said Eucharist, including the regular services with hymns. If you would like to know more about these or have any comments about our church please do get in touch with me. I am always interested to hear your thoughts and views – in fact this is very important if the church is to be relevant and helpful to our community.

Churchyard tidy-ups continue on Tuesdays 10th and 24th July, 6 pm to 7 pm, and will be fortnightly thereafter. Volunteers very welcome.

AVENING PARISH COUNCIL MEETING 17 MAY 2018
ITEM NUMBER 71/18 – THE SIGNAGE MAP BOARDS

'Cllr Bendall agreed to seek quotes for moving the map boards to the other side of the road or alternatively getting the images reversed. John Collinson agreed to check with Highways on relocating them'.

.....

We've already spent a thousand pound
To design and install these boards in the ground.
And it will be costly, and no mean feat
re-siting them across the High Street.

It's causing chaos: kids starting school
ended up in Emma's swimming pool.
And mail destined for Sandford Leaze
went to Click and Celia, if you please!
Nor can the defibrillator be found
in the middle of the recreation ground.
Worse still, a groom was left in the lurch
when the bride turned up at Cherington's church.

Why do we need them? Villagers can tell
their way to Queen Matilda and the Bell.
And Ramblers, very welcome here
who stop for a pie and pint of beer,
have maps to show them where to go
so they don't need these boards to know.

For tourists then? But you can see
the impact on places like Bibury,
with daily hordes of tourists there
getting in the villagers' hair.
Locals can't find a place to park
until it's gone quiet and getting dark.
Dangerous in daylight, I'll tell you why,
You're liable to get a selfie stick in your eye.
Tourists staring in windows, blocking the paths
even complaining about the colour of the cars.

So let's leave the map boards as they are,
to confuse those coming from afar,
and send nosy tourists up the wrong lane
for them never to be seen again!

Anon.

Avening Church Fete

A huge thank you to everyone who helped in any way to make the fete such a wonderful, happy village event. We really appreciate the time and energy given either on the day or in the build up beforehand. Special thanks to Avening Playgroup and Avening WI and all who donated raffle prizes.

THANK YOU to you all!

Stephanie Hamilton, CW and Chair of Fete Committee

Look out for photos and reports of the fetes in the next edition of the Villager

Avening Fete big thank you!

A BIG thank you to all the tent erectors, tent dismantlers and General Gofas who are summoned at the last minute. They work so hard on fete morning (often with big hangovers!), and then again after the fete, often after having run a busy stall themselves. You know who you are!

For those of you are interested, the big colourful flags were home made from bamboo, some blue polypipe, duck tape and kite material, all bought on eBay for about £150 with the exception of the pipe which was donated by Pete Savage. They look quite fun and we get lots of good comments about them.

Avening Playgroup

We have been having a lovely month at playgroup enjoying the sunshine. The children have been making the most of the lovely weather by spending a lot of time playing outside with their friends. The sand and water has been really popular, as has making tents with fabric around the climbing frame.

The children have chosen to play with dinosaurs, so they have been learning about them, painting them, using them for counting and matching activities and have been finding objects which are longer than their dinosaur. Harry and the dinosaur books have been really popular too.

You may have heard that we had an Ofsted inspection on the 21st June. We will be able to let you know how we got on when we receive the report in a few weeks' time.

If you have a child who will turn three before the end of August 2019, and you would like them to join our happy playgroup, we are still taking names for children to join us next year. Please let us know if you would like your child to join us. We can be contacted on 01453 832695 any weekday morning or you can email us at aveningplaygroup@gmail.com.

Avening W.I.

'Belonging to WI could have a significant impact on your wellbeing – nourishing mind, body and spirit through new challenges and the bonds of friendship.' So states an article in our latest magazine. Certainly from personal experience, I have found fun, friendship and lots of enjoyable activities through joining WI, since moving to Avening a few years ago.

Our recent speaker, John Putley, provided a wealth of information in his potted history of farming in Gloucestershire. From hunter gathering in Neolithic times, when most of the county was covered in forest, to subsistence farming in Saxon settlements and the spread of farming to the valleys with the invention of a more efficient plough. The Romans then built larger settlements with markets for produce and the mediaeval period saw the manorial system with villagers growing crops on strips of land. This changed again with the enclosure of land, particularly in the 18th century, to raise production of crops and livestock. The talk was fully illustrated and brought alive by many humorous anecdotes and quotations.

Our skittles team won a very close fought match against Tibberton and Taynton WI and now meet Cam WI in the next round.

The photos below show a recent catering event at Cherington under our 'Bite to Eat' scheme, another big success for Eileen and several of our members who produced the food and served it on the day.

The speaker for our July meeting will be Sue Davies with a talk entitled 'Annie's Story', speaking about the Child Growth Foundation. This will take place on Thursday 12th July at 7.30pm in the Memorial Hall. Anybody wishing to join us will be most welcome.

PROUD SUPPORTERS OF AVENING PLAYGROUP

Avening School

Not long now until the end of term - and goodbye to our y6 leavers!

With only weeks to go until the academic year draws to a close, life at Avening School couldn't be busier. The visit from The Premier League Football trophy at the start of June was just the beginning of what has become a whirlwind month of sporting events and school outings and visits. There have been several sporting events held offsite at SWR and other local schools that the whole school have participated in, as well as a girls' cricket tournament held in Cirencester and also a cricket day for the Hawks class (y3/4) hosted by Frocester cricket club. 24 children have qualified to the next round of Area Sports after giving outstanding performances at the recent District Sports. The final takes place at the end of June at Deer Park School.

At the beginning of June, we held the very first of our Live Stories sessions with residents from Steppes residential home in Nailsworth. This involved children from the Owls class conversing with residents (the eldest being 96, as well as two 91-year-olds) and the initiative will continue for six weekly sessions enabling the two generations to interact and

collaborate through themed discussions.

On a musical note, rehearsals are underway for the two musical highlights of the academic year with Mr Dillon visiting us from SWR every week to teach the children songs for the Proms in the Park concert held in the grounds of SWR at the end of term. We also have our Musical Soirée to look forward to at the beginning of July which is an opportunity for the children who take violin and guitar lessons at school to showcase their talents and the school choir to fill the village hall with their fabulous singing.

At this point of the school year we always prepare to say goodbye to our Y6 leavers, as well as welcoming our new reception children who join their new

class for move through days in July to enable them to get used to the new environment and teaching staff. But before we can wave our Y6 class off as they embark on their journey to secondary school, we have a school sports day; a summer fete; an enrichment week; a leavers' tea party and, for the first time ever, a Y5/6 leavers' disco to look forward to! Then the summer holidays can begin!

Don't forget to join us on Friday 13th July for our annual school summer fete 3.15 – 5.15pm.

For further information about this busy place of learning please see our school website: www.avening.gloucs.sch.uk

Ride + Stride 2018:

Explore & conserve our historic churches

It's that time of year when the team at the Gloucestershire Historic Churches Trust (GHCT) start dusting off the walking boots, pumping our bike tyres or getting together with friends to plan a driving tour around some of our wonderful local churches.

We're asking anyone who values our region's historic churches to take part in GHCT's sponsored Ride + Stride event on September 8th. It's a great way to explore the local area with the fascinating history of local churches as a focal point. The money raised is split between the Trust and a participant's chosen church.

"Whether you're planning a full day cycling between a hundred churches, or a short driving tour to two or three, anyone can participate in Ride+Stride", said Glenn Duff, Regional Organiser. "All the region's churches are marked on the map at ghct.org.uk to help people plan a route."

Ride + Stride welcomes cyclists of all abilities, as well as walkers, horse-riders and drivers. Just as important are those who take part welcoming others to their church – perhaps getting sponsored to play music, clean the church or mow the churchyard. If your church doesn't have a Local organiser, perhaps you could co-ordinate the activity?

Contact Glenn if you'd like to know more about taking part, to order a banner advertising the event or to update the information for your church: rideandstride@ghct.org.uk or call 01452 538271.

The event takes place on Saturday 8 September and full details can be found at www.ghct.org.uk/ride-and-stride

Media enquiries: Alex Jenner-Fust 07939 024675 alexandrajif@gmail.com

GHCT supports Gloucestershire's church buildings – helping keep them alive as places of worship, active centres of community life and landmarks of our architectural heritage.

Dying without a Will. Now that's a real tragedy.

No-one likes the thought of dying, so it's hardly surprising that almost 3 out of 5 UK adults don't have a valid Will (*source: www.unbiased.co.uk 2010*). Yet having one is one of the most important arrangements you can make during your lifetime.

My name is David Martin. I live in Nailsworth and I'm the local consultant for *Steele Rose & Co* - one of the UK's Premier Professional Home Visit Will Writers. After 22 years serving my country in the RAF, I have spent the last 28 years of my life professionally advising my clients on all personal financial matters and specialising in Wills.

Writing a Will is easier and cheaper than you think. It also ensures that your wishes are carried out simply and efficiently - causing the minimum of anguish for those you leave behind. If you would like to discuss your Will arrangements, redraft an existing Will, Lasting Powers of Attorney, or other associated legal services, at a mutually convenient time in the comfort and privacy of your own home, please contact me:

Avening Parish Council

The minutes of the meetings will be published shortly but some of the issues raised at the meeting are listed below:

Parish Council AGM

The AGM was held prior to the usual council meeting where Cllr Tony Slater was re-elected as Chair, and Cllr Mick Williams as Vice Chair (both unopposed). The following policies were reviewed and adopted:

- Standing Orders
- Complaints
- Equalities & Diversity
- Media / Press
- Financial Regulations
- Council Asset Register

Autumn events

Updates on plans for the autumn events were discussed;

- Queen Matilda Day Saturday 15 September 2018
- World War 1 Centenary Event Saturday 10 November 2018
- Look out for full details of the events which will be publicised shortly

Fencing of Play Equipment

Following up on suggestions made regarding plans for the playing field, quotes are currently being sought for putting up fencing around the play equipment.

HMRC Scam Phone Calls

We have had correspondence from Gloucestershire Police to say that there have been calls made claiming to be from HMRC, stating that the household owner owes tax and threatening the householder that they would be arrested if they didn't pay. This is a scam - HMRC (along with most other reputable organisations) would never call and make such claims. Please be vigilant and alert anyone who may be vulnerable to such calls.

A Church for the Villages

The Church of England is unique in several ways (some good, maybe others less so!) and one of its distinctive characteristics is the parish system in which each parish church (building, priest and people) is there to serve all those who live in its area, whatever their faith or apparent lack of it. As well as offering the normal services, baptisms, weddings and funerals this includes support in times of difficulty, home visits, and conversations avoiding judgement and offering understanding. Please feel free to contact us.
