61/09 FINANCE

61.1/09 Budget Status and Balance at Bank

The current balance at bank was £4,726.18 with £23,627.72 now in the deposit account with projected expenditure and year end balance as set out on the monthly budget sheet.

61.2/09 Bills for Payment

It was **RESOLVED** to approve the following bills for payment:

▪ Clerk's Salary less Income Tax plus Expenses	£491.22
▪ HMRC	£3.12
▪ HGM (grass cutting)	£200

▪ SLCC Enterprises Ltd (training)	£56.35
▪ Avening Playgroup Annual Grant	£500
▪ Avening Playgroup – Grant	£70.00
▪ Fenweb Ltd (website)	£622.73
▪ Viking (printer cartridges)	£114.95
▪ Peter Savage - Repair of Mays Lane Bus Shelter	£113.13
▪ Cotswold Tree Warden Group	£10.00

61.3/09 To sign the contract for the adoption of the BT Telephone Box on High Street and to consider adoption of the phone box at Nag's Head.

It was noted that the telephone kiosk at Nag's Head fell within the boundary of Cherington Parish Council but served the residents of Nag's Head (in Avening Parish) (the boundary being the road to Hampton Fields). Cherington Parish Council had already met and decided not to adopt either of the two telephone kiosks they had been offered by BT. The Clerk had approached BT to see if they would allow Avening Parish Council to adopt the Nag's Head box, if they so decided. It was confirmed that the box could be adopted by Avening Parish Council as long as Cherington Parish Council provided written consent. The Clerk was holding a signed letter from Cherington Parish Council to this extent.

After discussion, it was **RESOLVED** (6 in favour, 2 against) to adopt the telephone kiosk at Nag's Head from BT.

It was noted that the supplier of electricity to the boxes would be Southern Electric.

The contracts for the adoption of the High Street box and Nag's Head box and the Connection Agreement with Central Networks were signed at the end of the meeting by the Chairman, Vice-chairman and Clerk.

61.4/09 To consider insurance quotes for APFA and the Memorial Hall Management Committee

Both groups had been interested to have quotes provided via the Parish Council's insurance brokers. Neither had sent in the schedules required to obtain quotes and as their renewal dates had passed, it was assumed they had already renewed their insurance with another provider.

61.5/09 To consider repairs to bus shelter and consider insurance claim

The panels from the Bus Shelter had been recovered intact and these had been re-attached to the bus shelter by Peter Savage with the added interior cover to improve security. The cost (£113.13) was less than the insurance excess and so no insurance claim would be necessary.

61.6/09 Annual Grant Applications

61.6.1/09 To consider and approve the grant in the sum of £500 for Avening Playgroup

It was **RESOLVED** that in accordance with powers under s137 LGA 1972, that the Council should incur the annual grant in the sum of £500 for Avening Playgroup, which in its opinion is in the interests of the area, and/or its inhabitants and will benefit them in a manner commensurate with the expenditure.

61.6.2/09 To consider and approve the annual grant in the sum of £1,000 for Avening Memorial Hall

This matter was deferred pending receipt of an invoice from the Memorial Hall

61.6.3/09 To consider and approve the annual grant in the sum of £2,000 for Avening Playing Fields Association

This matter was deferred pending receipt of an invoice and accounts from APFA

61.7/09 Other Grant Applications

61.7.1 To consider annual grant to Cotswold Tree Warden Group in the sum of £10 per year

It was **RESOLVED** to approve an annual grant for Cotswold Tree Warden Group in the sum of £10 per year.

61.7.2 To consider grant to Avening Playgroup for Boiler repairs

The playgroup had applied for a grant in the sum of £133.04 to cover the cost of a new water heater. The project had already been completed.

It was **RESOLVED** that in accordance with powers under s137 LGA 1972, that the Council should incur the sum of £70 towards the cost of a new water boiler for Avening Playgroup, which in its opinion is in the interests of the area, and/or its inhabitants and will benefit them in a manner commensurate with the expenditure.

It was considered prudent, even though there were no members of the public present, that in view of the business to be discussed at agenda point 10, the meeting should be placed in closed session.

It was therefore unanimously RESOLVED that the meeting move into closed session under the terms of The Public (Admissions to Meetings) Act 1960 as the business to be discussed included sensitive information which could be prejudiced by being in the public domain at this time, in accordance with the Public Bodies (Admissions to Meetings) Act 1960.

61.8/09 To consider Budget and Precept for the financial year 2010/11 (CLOSED SESSION)

Following discussion, it was unanimously **RESOLVED** to set the precept at £23,500 for the year 2010/11. There was to be no increase in the precept due to the current economic climate.

The details of the budget were deferred until the next meeting in December.

62/09 PARISH PLAN/COMMUNITY PROJECTS

62.1/09 TV Digital Switchover talk 21st October 2009

The Digital Switchover Talk had taken place on the 21st October. 19 villagers attended. Some questions had been asked that the speaker would come back to us about. The Clerk will thank the speaker and enquire whether he has answers to the questions posed.

62.2/09 Playing Out in the Cotswolds event

The summer off the streets event did not have as many attending as they could have. The problem seemed to be around the late date of advertising via CDC.

62.3/09 Ash Path maintenance and Creation Order to County Council

The matter was deferred as nothing further had happened. The Clerk would ask GCC when the installation of the handrail and other works would take place.

62.4/09 Traffic and Highways:

62.4.1 Lorries/Heavy vehicles – weight restriction order

It was noted that there were no more Morrisons lorries using the junction with the Cross Inn for turning in the early morning and evening. Council will monitor the situation.

62.4.2 Grit Bins

The refills of the grit bins were on GCC's work list. The new grit bins were due to be collected and installed shortly by GCC.

62.4.3 Speeding traffic on High Street

The Clerk had enquired of GCC about borrowing/hiring the speed detection gun. The service was currently being reorganised. The department were hoping to have come back to the council by today, but had not. The Clerk will remind them again.

62.4.4 Drains

There had been various problems with blocked drains and localised flooding. These should be reported to GCC Highways on 08000 514 514. The details will be put in the next edition of The Villager.

62.5/09 Mapping structures in the Parish

This matter was deferred, but ongoing.

62.6/09 Autumn Village Clean Up

The autumn clean up was scheduled for Saturday 14th November. It was noted that significant storms were due that day. A decision would be taken on the day as to whether to run the clean up or postpone.

62.7/09 Parish Council workplan review and planning for 2010/11

This matter was deferred.

62.8/09 Report back from Cllr Mrs C Mitchell on the GAPTC AGM

Cllr Mrs C Mitchell had attended the GAPTC AGM. The main points discussed at the meeting were:

GAPTC would like to increase its membership.

There was a motion in favour of requesting GCC to liaise with town/parish councils before making decisions on the installation/removal of road and tourist signs, to take action to reduce the number of signs and to remove superfluous signs.

There was a motion in favour to request GAPTC/NALC to request of central government that they issue definitive planning guidance – that would require a planning department, if receiving an objection on valid planning grounds from a town/parish council to have the application considered by the full relevant committee.

There was a motion to request the criteria for eligibility to use the power of wellbeing be removed by central government. There were only 17 clerks in the county qualified to use the power.

62.9/09 Report back from Cllr J Parsons and Clerk on Parish Issues seminar at CDC

Cllr J Parsons and the Clerk attended the Parish Issues seminar at CDC. The main points to come out of the meeting were:

CDC is facing funding shortages due to the current economic climate. They may have to look at service cuts or passing services to town/parish councils. They are also making efficiency savings.

The other main matter raised was town/parish council's requesting feedback on planning matters – for example when Council's are consulted and make an objection, but the application is still approved. Council's would like an explanation. This will be looked into.

The suggestion was made that council's could consider clustering for issues of importance to them. This may be centred in local larger towns.

62.10/09 Contacting the Community (Cllr Tom Beardsell)

Cllr T Beardsell reported back on the Councillor's training course he had attended recently. One matter that was discussed was contacting the community. Suggestions were made such as

operating a Councillors surgery so that members of the village could come along and ask any questions. It was noted that we do have public question time on the agenda. It was also noted that the shop often received many of the local enquiries.

It was suggested that the council could start with a tear out question slip in The Villager – so that people could write down their questions/suggestions and post them in a box at the post office. The council could then answer them at meetings or directly.

63/09 Correspondence for Action:

- Bus Shelter grant applications – the restrictions in funding were noted.
- GAPTC Training Courses 2010 – this would be circulated to Councillors by email
- Digital Switchover community outreach pack – this would be kept in the shop for villagers to borrow
- The road closure order for Greenway Head was noted.

**The Next Meeting of Avening Parish Council will be held on
Thursday 17th December, 2009 at 7.30 pm
At Avening Memorial Hall**

There being no further business the meeting was closed at 9.30pm
